

Supplier Information Sheet

Supplier Statement

As you are aware the Coronavirus COVID-19 continues to spread outside of China. Our primary concern is for the safety and welfare of our employees, visitors, customers, partners, stakeholders and our communities. We would like to request your support in ensuring that we continue to operate in a safe environment.

We kindly request, as a partner to Cummins, that you **do not** attend a Cummins site if **any** of the following statements apply:

1. If you have been to a country in the last 14 days that has been identified as a risk level 2 (Japan/Hong Kong) or 3 (China, Italy, Iran, or South Korea) by the Center for Disease Control (CDC) or your local National Public Health Authority. Or if your National Public Health Authority does not state country risk level for the COVID-19 outbreak, then please default to the World Health Organisation (www.who.int) or contact your Cummins representative.
2. Are feeling unwell or experiencing any symptoms (cough or fever).
3. Have been in contact with anyone who has travelled internationally within the last 14 days **AND** they are unwell or experiencing any symptoms (cough or fever).
4. Have been in contact with anyone either confirmed or suspected of having the COVID-19 Virus within the last 14 days.

If you have any concerns or questions, please do not hesitate to reach out to your appointed host. Thank you for helping to keep Cummins a safe environment.
