

# Logging Into Cummins Supplier Portal

1. Navigate to <https://supplier.cummins.com>
2. Click **Sign In** or **My Business Applications**.
3. Select the **Cummins-External** login option.
4. Login using your LDAP credentials.

Note: If you do not have your LDAP credentials, use the **Forgot Username** and **Forgot Password** links.

The **Business Applications** section will not be available on the left-hand side.
